

DO TO YOU

At Drink, Shop & Do we know that a lot goes into planning the perfect event or party; the venue, the drinks, the food and of course those special 'extras' that leave everyone talking about your party for years to come. While you can always find everyone of those things under our Kings Cross location, we understand that not everyone can make it to us, so we've launched DO To You.

We'll bring absolutely everything you'll need to, well, anywhere you need us to go!

Our array of DOs will make for the most fun & memorable event you've ever planned. Our professional hosts will guide you through your 'DO', bringing with them all the materials and tools that you'll need. We've got loads of extra bits & bobs to make your party just perfect from photo booths & popcorn carts to entertainers, DJs & confetti blasters.

Our events team are on hand to help book your perfect party or event. We've brought our DOs to festivals & weddings; to intimate team building days & birthday parties. Large or small we promise to make your special occasion extra special.
